

IT'S MY LIFE INTERLUDE "If I Could Fly"

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years.
If you love my releases, please consider donating at KireCake.com to support our livelihood.
All proceeds go towards offsetting her medical fees. Thank you very much for reading!

■ About the House's Arrangement

Although it doesn't show up much, the house does have a patio.

There's a spot for drying laundry next to it. (It did show up at the start of Chapter 4, so try looking back there again!)

(Stealth marketing)

Gor Gor is generally either here or here (follow the arrows), so he's a terribly useless Lookout Dragon that doesn't realize when guests arrive.
